Join us for a family faith and nature program based on the loving, peaceful teachings of St. Francis and St. Clare.

Children are invited to bring their grown-ups for an intergenerational Christian camp experience. Each day offers a variety of themed activities for families ending with prayer around the campfire.

Camp Harding is operated by the Anglican Diocese of Qu'Appelle. It is situated in the center block of the Cypress Hills Interprovincial Park on the Saskatchewan side approximately 30 km southwest of Maple Creek on Highway 21.
